Attention Coaches & Players: See above for your scheduled time for photos.

While this photo day we will be social distancing; as per usual, **we ask the entire team to show up and participate in photo day. We will still be offering a group photo** within our packages even though one will not physically be taken on-site. With our updated technology, players do NOT have to sit or stand next to each other like in the traditional group or team picture. We keep the players separate on site, then we pull their individual photos together at our lab. This also means that every individual on the team will get their photo individually taken, including the coaches. This way you get a team picture without standing next to each other! The photo will resemble a "zoom call" or "yearbook page", please reference below or see staff onsite for a sample of what a team photo will look like.

Due to Covid-19 we strongly encourage parents print and fill out order forms before arriving. Also, to avoid lines at our onsite credit card station, we encourage parents to pay with a check and attach it to the prepared form. Information on Memory Makers packages can be found on our website: www.memorymakers.com. Payment is handled on site the day of photos; we accept credit, check, or cash (cash must be exact, we do not make change on site). Please contact your league organizer if you have any questions. Thank you, and see you on photo day!
