Club Champions League National League, Regional League, and NextGen Referee Manual

General Information

The Club Champions League (CCL) is a corporation as defined in the United States and the State of Virginia statutes whose principal purpose is to promote youth travel soccer.

The Referee Manual has been established to ensure league policies and protocols pertinent to game play and those Laws of the Game that may be modified are consolidated to one CCL document to more easily find information relating to the conduct of CCL games. Referees, Assignors, Club Officials, Team Officials shall be familiar with the information contained herein.

These Rules and Procedures apply to CCL National League, CCL Regional League & CCL NextGen equally unless otherwise noted.

Lack of knowledge of these CCL Rules will not relieve any Coach, Team Official, Parent or Player of a team participating in CCL, or seeking entry into CCL, from the responsibilities and possible penalties herein. ALL CLUBS, TEAM OFFICIALS, PARENTS AND PLAYERS, BY PARTICIPATING IN CCL PLAY, AGREE THAT THEY ARE BOUND BY THESE RULES.

All CCL matches will be played in accordance with The International Football Association Board (IFAB) Laws of the Game except as modified by the League Rules and Procedures.

The term “Director” as used in this document means the club member of the CCL Board of Directors, the Primary Contact of any provisional club or his/her designee. The designee must be named by the Director, and the opposing Director or Directors must be notified of the designee’s name and contact information. Directors are expected to be present at all CCL matches, or if unavoidably detained, available by cell phone. If the rule or procedure requires official action by the Board of Directors, use of a designee is prohibited.

CCL Rules and Procedures may not be modified or waived by individual Directors unless permitted in the Rules and Procedures for a specific rule or procedure. Unless prohibited by the CCL Rules and Procedures, games will be played and recorded as a forfeit for the offending teams. The forfeit will be declared prior to the start of the game.

Note to Referee Assignors: There is an expectation that assignors disseminate this manual to all officials they intend to use throughout the season as CCL expects all officials to be familiar with the manual.

Club Champions League

National League, Regional League, and NextGen Referee Manual

Rules of Competition and Protocols

All CCL matches will be played in accordance with the IFAB Laws of the Game except as modified by the League Rules and Procedures. These Laws of the Game and those modifications approved by the League apply to CCL National League, Regional League, & NextGen equally unless otherwise noted.

It is the responsibility of the match official to report to the match assignor any departure from the rules and protocol outlined herein. The primary protocol for match officials to follow should issues arise will be to contact their assignor. Match assignors shall bring up issues reported to the respective or home CCL Director.

THE FIELD OF PLAY

<u>Age Group</u>	<u>Minimum*</u>	<u>Maximum*</u>	<u>Required*</u>
9-10s	70 x 50	80 x 55	70 x 50
11-12s	80 x 55	80 x 55	80 x 55
13-15s	100 x 60	120 x 72	105 x 70
16-19s	105 x 70	120 x 80	115 x 75

**Clubs must make a reasonable effort to meet field size and condition standards. Repeated failures to do so could result in league sanctions including forfeiture of the right to host matches.*

The club sponsoring the home team shall be responsible for the following:

- Fields shall be legibly marked in accordance with the IFAB Laws of the Game.
- Grass shall be cut at an even height. The height shall not impede the movement of the ball nor the players.
- Nets shall be in serviceable condition and securely affixed to the goals.
- Corner flags shall be placed and conform to the specifications of the IFAB Laws of the Game.
- Team benches shall be provided for the home and away team.
- All goals must be appropriately anchored or weighted to the pitch prior to starting the match.

The referee may refuse to allow match play if, in their opinion, the field condition is unsafe or unplayable.

GOALS

<u>Age Group</u>	<u>Goal Size</u>
9-10s	6 ½' x 18 ½' (required)
11-12s	7' x 21' (required)
13-19s	8' x 24' (required)

All goals must be appropriately anchored or weighted to the pitch prior to starting the match. Use of the wrong size of goals will be subject to a forfeit for all matches.

MATCH LENGTH

<u>Age Group</u>	<u>Match Length</u>	<u>Length of Half</u>	<u>Halftime Interval</u>
9-10s	60 min	30 min	5-10 min
11-14s	70 min	35 min	5-10 min
15-17s	80 min	40 min	5-10 min
18-19s	90 min	45 min	5-10 min

Regular season CCL matches ending in a draw at the end of regulation time will remain tied. The Executive Committee will have the authority to modify the length of a match at any time.

Club Champions League National League, Regional League, and NextGen Referee Manual

MATCH BALLS

CCL Match ball: size 5
adidas Champions League Match Ball

CCL Match ball: size 4
adidas Champions League Match Ball

Age Group	Ball Size
U13-U19s	5
U9-U12s	4

A MANDATED adidas Champions League game ball for each team is issued by the league to all CCL clubs. The CCL game ball must be used for all CCL matches and may not be used for practice or any activity other than CCL league games.

BOTH the home AND away teams are responsible for providing a properly inflated CCL game ball to the official prior to the start of the match. The official CCL match ball belonging to the home team will be used throughout the match unless the home team's ball is unsafe or unplayable, at which point the official CCL match ball belonging to the away team will be put into play.

The referee shall report to the assignor any team not providing a CCL mandated match ball during a match. The previous seasonal year match ball may be used if needed.

Club Champions League National League, Regional League, and NextGen Referee Manual

NUMBER OF PLAYERS

<u>Age Group</u>	<u># of Players</u>	<u>Minimum # of Players</u>
9-10s	7 v 7	5
11s-12s	9 v 9	7
13-19s	11 v 11	7

Substitutions may be made at the discretion of the referee at any stoppage in play, in accordance with the IFAB Laws of the Game. There are no limitations to the number of substitutions that may take place during a match. Players who have been replaced by substitutes may reenter the match at any stoppage.

The following is the league philosophy (not required) regarding the use of substitutions during a match. This is not a modification to Law 3 nor should it be enforced by the match officials.

- *The CCL encourages (not required) all its 12-15s coaches of both boys and girls teams to not substitute in the first 15 minutes of a match (unless there is an injury) and its 16-19s coaches of both boys and girls teams to not substitute in the first 20 minutes of a match (unless there is an injury).*
- *The CCL encourages (not required) all its 17-19s coaches of both boys and girls teams to limit substitutions such that any player who is substituted out of the match should not reenter the match in the same half of play.*

PLAYER EQUIPMENT

When the color of jerseys is similar or identical and the match official requests a change, the HOME team must change colors.

Except for the goalkeeper, all players must have uniforms with individual numbers on the shirt. The goalkeeper's shirt must be easily distinguishable from all other players and referees.

Players must wear jerseys whose numbers correspond with the numbers on the team's Official Roster. Exception: guest players jersey numbers for all players must be entered on the Game Day Roster.

A player may not use equipment or wear anything that is dangerous to themselves or another player (including any kind of jewelry).

Corrective glasses are authorized; however, they must be constructed of a material that does not endanger the safety of the player wearing them or other players on the pitch (no metal/wire rims, no protruding or sharp edges.) It is at the discretion of the referee whether the construction of the corrective glasses is dangerous.

Casts are permitted if properly padded **AND** if in the opinion of the referee it does not endanger the safety of the player or other players on the pitch.

USSF CONCUSSION INITIATIVE- No heading for 11 age group and younger

U.S. Soccer recommends that players in U11 programs and younger shall not engage in heading, either in practices or in games. CCL accepts the recommendations and will implement them in the following manner for the U11 and younger age groups:

- Whenever there is contact between the ball and the head of a player, play is stopped. The proper restart depends upon whether the player deliberately played the ball with his or her head.
 - If the contact of the ball with the head is deemed inadvertent, then the proper restart is a dropped ball.
 - When a player deliberately heads the ball in a game, an indirect free kick (IFK) should be awarded to the opposing team from the spot of the offense.
 - If the infringement occurs within the goal area, the restart should be taken on the goal area line parallel to the goal line at the point nearest to where the infringement occurred.

Club Champions League

National League, Regional League, and NextGen Referee Manual

MATCH DAY PROTOCOL

MATCH OFFICIALS

Officials are expected to be at the match site and have introduced themselves to team officials no less than 30 minutes prior to the match. If circumstances prevent arrival at least 30 minutes prior to the match, the official is expected to be in contact with their crew and assignor to communicate any issues.

Officials shall maintain a professional appearance and dress in accordance with USSF uniform policies to referee the match. Shorts shall be made for refereeing and shoes shall be primarily black in color.

Should issues arise on site, the main point of contact for the referee is their assignor.

PLAYER CHECK-IN

The Game Day Roster must be submitted to the referee prior to the start of the match. **Player passes are not to be checked.** The Game Day Roster will list only those players, including club pass players, who will participate in the match and their jersey numbers. Club pass player will be written on the Game Day Roster. Any rostered player not playing in the match should be crossed out. Clubs are responsible for providing Game Day Rosters. Game Day Rosters can be printed for each individual team from the online database by authorized persons with a valid ID and Password. The number of players on each Game Day Roster shall be the following:

<u>Age Group</u>	<u>Game Day Roster Minimum</u>	<u>Game Day Roster Maximum</u>
9-10s	5	12
11-12s	7	16
13s-19s	7	18

Note: player pass checks are not required for league games. However, player passes and medical releases must be present at the game.

SPECTATOR AND COACHING AREAS

All coaches, players, and spectators will remain eighteen (18) yards from the goal lines. Coaches and players are to take opposite sides of the field from the spectators. *Spectators are encouraged to be on the opposite side (same half of field) as their team, facing their team bench.* No coaching may take place from behind the goal lines. All coaches and spectators must always remain at least one (1) meter from the touchline.

2019-2020 Club Champions League Referee Manual

DELAYS, WEATHER, EMERGENCIES, and INJURIES

GAME DELAYS AND POSTPONEMENTS

Participation in League play carries the responsibility to abide by the League Schedule, playing all matches, as scheduled, unless compelling reasons exist to reschedule. Participation in State Cup for CCL teams (or 'first teams') is encouraged, and with proper notification, will take precedence over League matches. Participation in Presidents Cup for Championship teams (first teams playing in the Championship or a club's second teams) is encouraged, and with proper notification, will take precedence over League matches.

A. Rainouts

1. In the event of inclement weather or at any time there is a doubt as to the playability of the fields, the home club director shall notify the visiting club director in appropriate time allowed for driving distances. The following actions are required by the home team:
 - a. Home Club Directors shall verify the conditions of their fields.
 - b. Clubs canceling a match(s) due to weather or other conditions shall be responsible for notifying the opposing Director or alternate.
2. If the fields are under the control of another club or activity (e.g., schools, park authorities) and these organizations determine playability of fields, club representatives must coordinate closely to ensure early decisions and proper notifications are made.

B. Referee Decision of Unplayable Conditions

1. A referee may suspend or terminate a match due to weather conditions, i.e., lightning, rain, fog, etc. before or during a match. Under these conditions, the referee's decision is final. If at least half of the match has been played, the match shall be deemed completed and the score shall stand.
2. Liability for the referee fee shall be determined by the Referee's Association Contract with each club.
3. Inconvenience to the visiting team who has traveled or may travel to the site cannot be helped if weather conditions worsen during the visiting team's travel time.

C. Referee Failure to Appear – When request for services were made to the Referees' Association.

1. A certified center referee must be present, or the match cannot be played. If there is no qualified center referee after a 30-minute grace period from the scheduled start time, the match will be recorded as a forfeit for the home team.
2. During the 30-minute grace period:
 - a. The directors may mutually agree to play the game with a substitute certified center referee if the game begins within the 30-minute grace period. The directors will agree before the start of the game if the assigned center referee will assume control of the match if he/she arrives late. The substitute center referee will be paid by the home club.
 - b. The directors may mutually agree to cancel the game, and the game will be rescheduled. No referee or assignor fees should be incurred for the cancelled match.
3. If an assigned/substitute certified center referee is available after the 30-minute grace period, the directors may mutually agree to play a scrimmage game as long as the scrimmage does not exceed the time block allotted for the originally schedule game. The substitute center referee will be paid by the home club.
4. If a certified center referee is present at the scheduled start time but one or both official referee assistants fail to appear at the scheduled start time, the Directors shall mutually appoint club referee assistant(s) and play the match. Club referee assistant(s) who are not certified will be limited to helping with balls in and out of bounds.

LIGHTNING AND SEVERE WEATHER

Given the likelihood of adverse weather conditions over the course of the season, the CCL strongly recommends that each club develop an adverse weather plan to facilitate communication between club officials, league officials, match officials, and the match assignor.

If lightning is seen or thunder heard, the match shall be suspended for 30 minutes. Each subsequent instance of lightning or thunder shall restart the 30-minute suspension of play. It is recommended that if adverse weather is in the forecast that the referee crew and team officials discuss where they will evacuate to prior to the match. Team/club officials need to exchange contact information should weather come in fast and require immediate evacuation to a safe location.

Club Champions League

National League, Regional League, and NextGen Referee Manual

EMERGENCY MEDICAL AND EVACUATION PLAN

CCL strongly recommends that each club develop Game Day Emergency Medical and Evacuation Plans for each site that is used for match play. Specific topics and concerns to be addressed may vary between clubs and even between locations. Issues recommended to be addressed are as follows, but not limited to:

- Site specific ingress and egress routes for Emergency Responders
- Locations and directions of nearest medical treatment facilities
- Location and contact information to obtain keys to unlock gates or fences surrounding fields
- Location of Automated External Defibrillator (AED) if present

INJURED PLAYER PROTOCOL

Pursuant to VYSA, MYSA, WYSA the CCL requires clubs to implement a concussion policy, provide education and other protective measures.

CCL requires that the home club provide one (1) certified athletic trainer (ATCs) to be present, at one-site, for 16-19s matches (including the Championship Division). If multiple sites are used for 16-19s matches, the one (1) ATC may be 'on-call' if needed at another site. This rule does not apply to make-up dates or one-off matches. Matches may begin on-time if an ATC is not present. CCL strongly encourages the use of sunscreen and other protective measures as outlined in our Sun Safe Soccer program.

Guidelines for the Referee

Because game officials continue to be in complete charge of game timing, as is common in international competitions, referees will not "stop the clock" for time lost through situations described in Law 7 of the IFAB Laws of the Game (substitution, assessment and removal from the field of injured players, wasting time, or other causes). Instead, the time lost will be managed on the field by the referee who has complete discretion regarding the exact amount of time to be recovered. The intent of Law 7 is to recover time lost due to excessive delays for injuries, substitutions, goal celebrations, and so forth.

Serious injuries, however, are likely to be the most common sort of situation for which the referee is called upon to "add time" at the end of a period of play. The time to be recovered includes the original assessment of the injury and, where necessary, the removal of the injured player from the field by medical personnel.

It is imperative that athletic trainers and other team staff cooperate with referees in the application of the following IFAB guidelines:

- A. If a player is seriously injured, the referee shall stop play. In cases of head collisions, the referee is to stop play immediately.
- B. After assessing the condition of the injured player, the referee shall authorize medical staff or team officials to enter the field to ascertain the type of injury and to arrange the players safe and swift transport off the field (BUT NOT TO TREAT THE INJURY ON THE FIELD).
- C. Any player suffering from an open wound is compelled to leave the field to have the wound treated.
- D. To remove the player as quickly as possible, stretcher-bearers shall enter the field with a stretcher immediately upon being beckoned by the referee.
- E. If the referee has determined that the player must leave the field due to injury, whether or not medical personnel has been beckoned to assist the player, the injured player is required to leave the field, either on foot or on the stretcher. If the player refuses to comply, the referee shall caution him for hindering the restart of play.
- F. If a player has received permission from the referee to leave the field during play for treatment of an injury that is serious, that player must have the referee's permission to re-enter the field. If the ball is in play, such a player may only re-enter the field across either of the touchlines. When the ball is out of play, the player may re-enter across any of the boundary lines. Only the referee is authorized to allow an injured player to re-enter the field whether the ball is in play or not.
- G. If a player is bleeding, he must leave the field immediately to have the bleeding stopped and his skin and uniform cleaned as thoroughly as possible (or replace his uniform with a clean one). When the player is ready to return to the game, the referee will inspect the injured area and the uniform for blood or delegate this task to the fourth official. Once a bleeding player is ready to return to the game, he may do so with the referee's permission at any point during play (as opposed to only at a stoppage in play).
- H. If play has been stopped solely for a serious injury with no other breach of the Laws of the Game, the referee shall restart play with a dropped ball.
- I. The referee shall add on time lost on account of injury (with or without medical attention on the field) in full at the end of the half (or overtime period) in question.
- J. If referees feel that the player who has been injured is feigning the injury and returns to play immediately, the referee has the right to caution that player for unsporting behavior.

Club Champions League National League, Regional League, and NextGen Referee Manual

Regardless, nothing shall be done that would potentially cause further or permanent injury to a player. In the case of on-field injuries, it is incumbent upon the referee and medical personnel/team officials to communicate with each other, and to use their best professional judgment in complying with the above guidelines.

Under no circumstances shall a player be removed if there is an injury to the head, neck, or back until it can be accomplished without risk of further injury or permanent injury to the player. Similar restraint shall be shown for injuries that are deemed to be potentially limb threatening; however, for many less serious injuries, the athletic trainer/team official will oversee the removal of the player from the field. The athletic trainer/team official and the referee shall work together to ensure the safety and well-being of the player while trying to return him to play as soon as possible.

OFFICIAL MATCH REPORTS

Match reports are recommended and shall be completed by the referee and submitted to the match assignor.

Match Reports shall be completed in the following instances:

- A player is sent off or a coach or team official is dismissed
- Any time a match has a significant delay, is suspended, or abandoned due to reasons other than weather (mass confrontation, referee abuse, referee assault, outside interference of any kind)

Club Champions League National League, Regional League, and NextGen Referee Manual

Club Champions League Policies

REFEREE POLICY

The referee's authority begins when they arrive at the match site and continues until they depart the match site.

The decisions of the referee regarding facts connected with play, including whether a goal is scored and the result of the match, are final.

A referee (or where applicable, an assistant referee or fourth official) is not held liable for:

- any kind of injury suffered by a player, official or spectator
- any damage to property of any kind
- any other loss suffered by any individual, club, company, association or other body, which is due or which may be due to any decision that he may take under the terms of the Laws of the Game or in respect of the normal procedures required to hold, play and control a match.

Such decisions may include:

- a decision that the condition of the field of play or its surrounds or that the weather conditions are such as to allow or not to allow a match to take place.
- a decision to abandon a match for whatever reason.
- a decision as to the suitability of the field equipment and ball used during a match.
- a decision to stop or not to stop a match due to spectator interference or any problem in spectator areas.
- a decision to stop or not to stop play to allow an injured player to be removed from the field of play for treatment.
- a decision to require an injured player to be removed from the field of play for treatment.
- a decision to allow or not to allow a player to wear certain apparel or equipment.
- a decision (where he has the authority) to allow or not to allow any persons (including team or stadium officials, security officers, photographers or other media representatives) to be present in the vicinity of the field of play.
- any other decision that he may take in accordance with the IFAB Laws of the Game or in conformity with his duties under the terms of FIFA, confederation, member association or league rules or regulations under which the match is played.

It is the responsibility of the Director of each club to coordinate with the appropriate Referees' Association concerning all home club activities, matches, and schedule changes.

- 19s through 11s Divisions: Each club shall contract with area Referees' Association to provide three (3) USSF certified officials for each match.
- 9s and 10s Divisions: Each club shall contract with area Referee's Association to provide one (1) USSF certified official for each match. There will be no club linesmen. Build-out lines will be used and will also be used to denote where offside offenses can be called (these lines may be marked on the field of play or disc cones may be used just off the touchlines as reference points). Players cannot be penalized for an offside offense between the halfway line and the build-out line. Player can be penalized for an offside offense between the build-out line and the goal-line. Offside(s) will be called. When the goalkeeper has the ball in his or her hands during play from the opponent, the opposing team must move behind the build-out line until the ball is put into play. Once the opposing team is behind the build-out line, the goalkeeper can pass, throw, or roll the ball into play (punts and drop kicks are not allowed). The opposing team must also move behind the build-out line during a goal kick until the ball is put into play. The goalkeeper can put the ball into play sooner but he or she does so accepting the positioning of the opponents and the consequences of how play resumes. If a goalkeeper punts or drop kicks the ball, an indirect free kick should be awarded to the opposing team from the spot of the offense. If this occurs within the goal area, the indirect free kick should be taken on the goal area line parallel to the goal line at the nearest point to where the infringement occurred. The build-out line promotes playing the ball out of the back in a less pressure setting.
- The officials are responsible for conducting the matches in accordance with IFAB Laws of the Game and CCL Rules and Procedures.

Club Champions League

National League, Regional League, and NextGen Referee Manual

- D. If qualified referees are not available through the Referees' Association, the club may contract with qualified individuals to referee games provided
 - 1. Such individuals can conduct the matches in accordance with IFAB Laws of the Game and CCL Rules and Procedures and
 - 2. Such individuals are registered in the VYSA or MSYSA database for insurance purposes.
- E. Each Referees' Association will be instructed at the beginning of each season to waive checking of player passes before each CCL League game unless the Director of either club asks that passes be checked. Thus, no player passes are checked prior to any CCL games.

CONDUCT

A. Standards of Conduct

The League exists to provide youth of Virginia, Maryland, West Virginia, and the District of Columbia the opportunity to acquire and develop soccer skills through a higher level of competition. These skills, as well as the individual growth of the players, cannot be nurtured in an environment that permits confrontation, poor sportsmanship, and verbal and physical abuse among spectators, game participants, and game officials. While CCL cannot dictate the internal administrative rules and regulations of its member clubs, it must provide a framework for governing undesirable behavior within which member clubs must administer their teams. Players are expected to perform in a manner consistent with the principles of good sportsmanship. Coaches and spectators should act in a manner that reinforces the concepts of good sportsmanship.

- 1. Under no circumstances shall a player, coach, parent, or spectator enter the field of play during the match unless invited by the referee.
- 2. The coach is responsible for the actions of parents and spectators on the sidelines. Coaches can be sent off the field or even banned from future games for their misbehavior.
- 3. Parents and spectators can be asked by the referee to leave the playing site, and if the request is refused, the referee can, at his/ her discretion, terminate the match.
- 4. If any player, substitute, or coach refuses to leave the playing site immediately after an ejection by the referee, the referee may terminate the match, and the match will be scored as a forfeit with the offending team losing by a score of 3-0. The referee has the discretionary power to suspend or terminate a match whenever, by reason of the elements, interference by spectators, or other causes, he/she deems such stoppage necessary.
- 5. Member clubs shall insure that these standards of conduct are distributed and understood throughout their club. Repetition of occurrences of misconduct which show a "disregard for these guidelines" could lead to long-term penalties, up to and including prohibition for further participation.

B. Send-offs

- 1. Players
 - a. A player having been sent off and shown a red card from the referee must sit out the remainder of that match and in addition will be suspended from his/her team's next League match. If the send-off is issued in the last League match of the season, the suspension will be taken in the next League match of the following season. No substitutions may be made for the player sent off during the match in which the send-off is issued.
 - b. It is the duty of the coach to withhold the sent off player from the next game.
 - c. Any team allowing a player, coach, or team official to participate in a League match while under suspension shall forfeit the match in which the team participates. The coach sponsoring the offending team shall be liable for any referee fees incurred.

Club Champions League

National League, Regional League, and NextGen Referee Manual

2. Coaches

- a. A coach dismissed by referee must leave the field and the area surrounding the field for the remainder of the match. In addition, the coach is prohibited from participating in the next match and is not allowed to be present at the field or in the area surrounding the field.
- a. It is the coach's duty to self-impose the appropriate suspension. If a coach having been dismissed from the match or serving a suspension, participates, enters the field of play or the area surrounding the field, or communicates with the team/team officials via electronic or other means, the team shall forfeit the match and the club sponsoring the team shall be liable for any referee's fees incurred.

3. All player send offs and dismissals of team officials must be reported to the League Office within 48 hours of the conclusion of the match.

Because of the seriousness of instances of misconduct after a match, any post-match misconduct or instances of abuse or physical assault, are subject to review by the Directors and more serious penalties, which are not subject to appeal, may be employed. However, for misconduct directed toward match officials, see United States Soccer Federation Policy 531-9 (Formerly Rule 3041) Misconduct Toward Game Officials.

PROTESTS

A. General

A protest is a dispute over a point of fact dealing with the misapplication of the Laws of the Game by a match official. Protests on the grounds of judgmental actions on the part of a match official shall not be considered.

B. Submission

A protest shall be submitted in writing to the Directors within two (2) days of the conclusion of the match as verified by postmark.

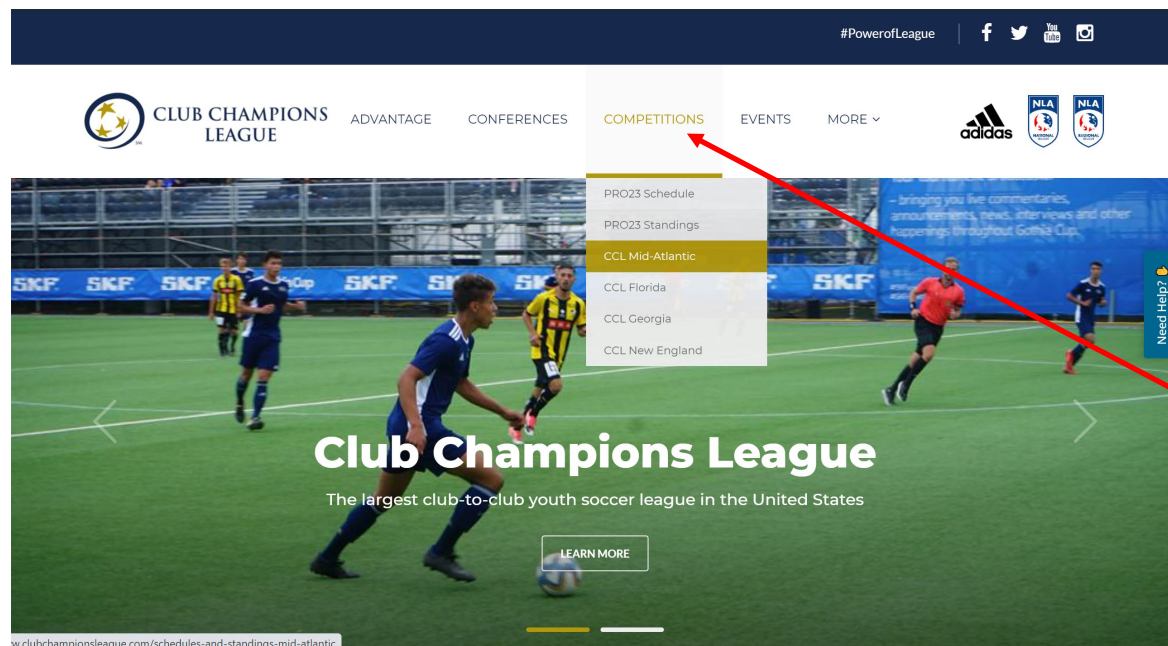

C. Review by the Board of Directors

The Board of Directors shall investigate, evaluate, and provide the recommendations within ten (10) days of receipt of the protest.
